From the Principal

School overview

At Manly West State School we live our motto: 'Deeds Not Words'. It reflects our desire that all students achieve to their potential and put into action their own passion for learning. In our learning community we hold firm to the belief that 'every child can learn'. Manly West State School is situated in the popular bayside suburb of Manly West, 13 kilometres from the Brisbane CBD, with superb views over Moreton Bay and Stradbroke Island. As a family-oriented suburb, Manly West is rich in parklands and sporting amenities. The local wider community features bike and walk ways, a local seawater wading pool, as well as facilities for many outdoor activities such as sailing and canoeing. We believe Manly West is an idyllic place for children to spend their primary years and there is a strong 'sense' of community that supports the holistic growth of our children. We have an extremely dedicated and professional staff, including a Principal, Deputy Principal, Head of Department Curriculum, 27 teachers and 10 teacher aides staffing our classrooms. The following specialist teachers support our students and classroom staff: Gifted Education Mentor, Health & Physical Education, Classroom Music, Instrumental Music, Japanese (LOTE), The Arts, Inclusion Teachers and a Guidance Officer. Our Administration Officers, Business Services Officer, Janitor-Groundsman and Cleaners provide invaluable assistance to our students. Working alongside our school staff is a strong team of volunteer parents and community members who also support the learning of students at Manly West. Our school provides many fine educational programs including; Reading2Learn, Bridge Builders, Zones of Regularion, differentiated learning opportunities in every classroom, primary connections science across Prep to Year 7, performing arts through our school bands, choirs and the annual school musical, our Japanese language program, and elearning opportunities through our refurbished resource centre. Through our four values of Collaborator, Learner, Meaning Maker and Bridge Builder we connect learning to the real world. We strive to create a community of collaborative, life-long learners and an environment where every day, in every classroom, every child is learning and achieving. To accomplish this we look to the future in which our students will live and we offer them a world-class Australian education with multiple learning pathways to follow. We seek to prepare our students to be successful 'Global Citizens' who are critical and creative thinkers, literate and numerate, ethical in behaviour, personally and socially confident, competent with ICTs and accepting of individual differences. We are proud of our Manly West heritage and tradition. We began providing a quality education service in partnership with our school community in 1958. In recent times the school has been through a major renewal with the implementation of the State Schools of Tomorrow and the Building the Education Revolution Programs. Under these programs, we now have state of the art teaching spaces, a Science & Technology area, a specialist music room, a Resource Centre with blue room for film-making and a magnificent Performing Arts Hall with seating for over 400 for school events. Every teaching space and classroom also has an interactive whiteboard and wireless access for our portable laptop and iPAD labs. A community project has provided our students with access to valuable learning opportunities in our very own kitchen garden – junior masterchefs in the making!! We welcome every parents' active interest in their child's school life. Parents play a pivotal role in the education of their child. Current research has linked a high level of parental involvement in their child's schooling with the child's future learning success. We believe that when the key 'people' - the student, the parent and the educator - are working in harmony, effective and lasting learning takes place. Working in partnership with our families and the wider community, we strive to position our students for success in an ever changing world. Please take time to explore our school web site and if you have any questions, email us. If you wish to enrol your child or children, please contact us and arrange for a tour. <https://manlywestss.eq.edu.au/>

Note:

The [class size](#) targets for composite classes are informed by the relevant year level target. Where composite classes exist across cohorts (e.g. year 3/4) the class size targets would be the lower cohort target.

Curriculum implementation

The P–12 curriculum, assessment and reporting framework specifies the curriculum, assessment and reporting requirements for all Queensland state schools' principals and staff delivering the curriculum from Prep to Year 12. Further information on school implementation of the framework is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/p-12>.

Extra-curricular activities

Queensland state schools provide a wide range of subjects and extra curricula activities such as sport, art, music and school camps. Further information can be found here <https://www.qld.gov.au/education/schools/information/programs>.

How information and communication technologies are used to assist learning

Information and communication technologies (ICT) are an important part of contemporary schooling. The Australian Curriculum includes ICTs as a general capability across all learning areas, as well as Digital Technologies as a specific learning area. Further information on models used by schools to assist learning is available at <https://education.qld.gov.au/parents-and-carers/school-information/student-ict-device-programs/one-to-one-models>.

Social climate

Overview

Each Queensland state school develops and enacts policies to support an integrated approach to behaviour, learning and teaching.

Our Student Code of Conduct is our school's behaviour policy, with information about school rules, consequences and processes for addressing bullying and the use of technology. A copy of this is available on our school website.

Further information is also available at <https://www.qld.gov.au/education/schools/health>.

Parent and community engagement

Our approach to engaging with parents and the community is aligned to the departments Parent and community engagement framework. The framework helps students, schools, parents and the community to work together to maximise student learning and wellbeing. Research shows parent and community engagement that is effectively focused on student learning can deliver powerful outcomes. Further information is available at <https://education.qld.gov.au/parents-and-carers/community-engagement>

Respectful relationships education programs

Our school has implemented the Respectful relationships education program (RREP) as part of the broad multi-departmental Queensland Government approach to ending domestic and family violence.

The RREP is a Prep to Year 12 prevention program that focuses on influencing behavioural change to build a culture based on equality and respect in our students, staff, parents and wider community, Students are provided opportunities to explore social and emotional learning in self-awareness, self-management, social awareness, relationships, ethics, values, social norms, gender roles, stereotypes, human rights, risk and responsible decision-making. A growing body of evidence shows that social and emotional learning of this nature leads to:

- improved social and emotional skills, self-concept, bonding to school and classroom behaviour
- less disruptive classroom behaviour, aggression, bullying and delinquent acts
- reduced emotional distress such as depression, stress or social withdrawal.

Further information is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/respectful-relationships>

School disciplinary absences

Table 6: Count of incidents for students recommended for school disciplinary absences at this school

Type of school disciplinary absence	2017	2018	2019
Short suspensions – 1 to 10 days	22	18	10
Long suspensions – 11 to 20 days	0	0	0
Exclusions	0	0	0
Cancellations of enrolment	0	0	0

Note:

School disciplinary absences (SDAs) are absences enforced by a school for student conduct that is prejudicial to the good order and management of the school.

Environmental footprint

Reducing this school's environmental footprint

Environmental education has been a feature of Queensland schools for more than 30 years. In many schools it has been creatively and proactively incorporated into the curriculum in each phase of learning, and is also reflected in the school's facilities and in the actions of its principals, teachers and students.

Table 7: Environmental footprint indicators for this school

Utility category	2016–2017	2017–2018	2018–2019
Electricity (kWh)	170,000	170,360	173,990
Water (kL)	2,315	5,358	2,596

Note:

Consumption data is compiled from sources including ERM, Ergon, CS Energy reports and utilities data entered into OneSchool* by schools. The data provides an indication of the consumption trend in each of the utility categories which impact on this school's environmental footprint.

*OneSchool is the department's comprehensive software suite that schools use to run safe, secure, sustainable and consistent reporting and administrative processes.

Qualification of all teachers

The Queensland College of Teachers (QCT) is responsible for ensuring that teaching in Queensland schools is performed by an appropriately qualified person, that has successfully completed either -

- (a) a four-year initial teacher education program including teacher education studies of at least one year (e.g. a Bachelor of Education, or a double Bachelor degree in Science and Teaching) or
- (b) a one-year graduate initial teacher education program following a degree (e.g. a one-year Graduate Diploma of Education (Secondary) after a three-year Bachelor degree) or
- (c) another course of teacher education that the QCT is reasonably satisfied is the equivalent of (a) or (b). These are considered on a case-by-case basis.

For more information, please refer to the following links
